Enrollment Checklist

Congratulations on your admission to the Illinois MBA! We look forward to having you join the Illinois MBA Class of 2018! Follow the checklist below to make sure you have taken all necessary steps to enroll in the Illinois MBA.

All Students

☐ Confirm your spot in the Class of 2018 by paying your nonrefundable $750 enrollment deposit. The link to pay the deposit is unique to each student; see your admission letter (sent by e-mail) to find your unique payment link and deposit deadline.

Note: The $750 deposit will be applied to your Fall 2016 tuition and fees after the Fall semester begins.

☐ Mark your calendar for Orientation 2016, which is required for all students and will begin on Monday, August 15, and end Friday, August 19 (Classes begin on Monday, August 22). If you are unable to arrive on campus for the first day of orientation your admission will be deferred to the following year. Please reach out to the admissions team as soon as possible.

☐ A charter service to campus will be provided for any incoming MBA student who arrives at Chicago O'Hare International Airport on Wednesday, August 10. If you are considering booking a flight, we encourage you to plan your arrival on or near to August 10. Questions? Reach out to International Orientation Coordinator, Anurag Batlanki at batlank2@illinois.edu. More details to come via the weekly welcome emails starting in April.

☐ Read the Weekly Welcome emails that start in April, and reach out if you have any questions!

International Students

☐ Complete and send the Declaration and Certification of Finances form and your financial statements to Illinois MBA admissions at your earliest convenience (if you have not already submitted with your application). Your financial statements must show adequate financial support for you and your dependents.

Note: If you will be attending a summer English program in the U.S. before starting your MBA, you should obtain your initial I-20 from that program. Once you have completed the English program, you will be able to transfer your I-20 to the University of Illinois at Urbana-Champaign if you have provided us with the required proof of financial support.

☐ Mark your calendar for an orientation session for international students. This session is strongly encouraged and takes place August 12, 2016.

Joint Degree Students

☐ If you are already a graduate student at Illinois (except for Law students or Med Scholars), submit a Graduate Student Request form requesting a “Curriculum Change to the MBA effective Fall 2016.” The petition needs to be submitted online and then signed by your current department and the MBA program before going to the Graduate College. Please contact Nadine Gleason (nlin2@illinois.edu) with any curriculum change issues.
